RE: MARCH/APRIL 2025 ASSESSMENT SERIES

The above subject refers.

TVET CDACC is preparing to administer the March/April 2025 assessment series to candidates registered in assessment centers. In this regard, the council would wish to communicate the following:

1. Registration of candidates:

The CDACC portal will be open for the registration of candidates from 17th January to 16th February 2025. The registration of candidates will take place as indicated below:

- 1.1 Registration of candidates enrolled before the review of basic units commence on 17th January, 2024. This refers to the candidates who were admitted before September 2024

- 1.2 Registration of the reviewed basic units of competency which were implemented from September 2024 will begin on 23rd January 2025 once they are available on the portal. Please note that common and core units of competency for courses with reviewed basic units will also begin on 23rd January 2025.

During this period, candidates due for assessment should be registered in the portal. Failure to register the candidates within this period will result in late registration penalties. Reassessment cases should also be registered during this period.
